Instructions

- Read all instructions before you begin.
- Use a ¼" seam allowance and press the seams as shown by arrows.
- I recommend starching your fabric, as it will make cutting and sewing easier, especially when working with small pieces.
- WOF means width of fabric (yardage is based on 42" - wide fabric), FQ means Fat Quarter, FE means Fat Eighth.

The fabric choices for the Country Garden quilt blocks might differ from the fabric choices in the single quilt block patterns. For fabric placement please refer to the quilt layout on page 7.
